Do you need to prepare for an aptitude test for an interview or selection process? Do you want to practise and improve your scores? Ultimate Aptitude Tests, now in its fourth edition and part of the best-selling Ultimate series, is the largest and most comprehensive book of its kind, boasting over 1000 varied practice aptitude questions with accompanying answers and explanations. In such a competitive job market, it's the perfect book to ensure you're entirely prepared to get those high scores and impress potential employers. Businesses use aptitude tests when recruiting; sometimes even to fast-track potential leaders. Providing essential practice, Ultimate Aptitude Tests includes tests like those you are likely to encounter, including abstract visual tests, verbal and numerical reasoning tests, practical skills and understanding tests, spatial and systems potential tests and logic and intuition tests of different types. This new edition also now includes a brand new section on online testing environments as well as free access to a separate full online test to evaluate your abilities. Ultimate Aptitude Tests is brilliant preparation for candidates wishing to outshine their competition and secure their dream job. About the series: The Ultimate series contains practical advice on essential job search skills to give you the best chance of getting the job you want. Taking you from your job search to completing an interview, it includes guidance on CV or r é sum é and cover letter writing, practice questions for passing aptitude, psychometric and other employment tests, and reliable advice for interviewing.
