Realidades is a standards-based Spanish curriculum that balances grammar and communication. The program offers technology designed to integrate language and culture to teach and motivate all students.

REALIDADES is a Standards-based middle school and high school Spanish program that combines language proficiency and cultural understanding. The program integrates research-based communication strategies, support for differentiated instruction, engaging technology, and a personalized learning management system (realidades.com) to make the program real for today's Spanish students.

"The third of a three-year sequence of courses designed to prepare students for a rigorous college preparatory algebra course. It uses a problem-based approach with concrete models. The course helps students to develop multiple strategies to solve problems and to recognize the connections between concepts" -- publisher's website.

"This workbook will introduce your child to grade six vocabulary and reading comprehension exercises in a step-by-step manner."--Cover.

"Satisfying, gratifying, touching, weighty—this authentic piece of work has got soul."—The New York Times Book Review As twelve-year-old Marlee starts middle school in 1958 Little Rock, it feels like her whole world is falling apart. Until she meets Liz, the new girl at school. Liz is everything Marlee wishes she could be: she's brave, brash and always knows the right thing to say. But when Liz leaves school without even a good-bye, the rumor is that Liz was caught passing for white. Marlee decides that doesn't matter. She just wants her friend back. And to stay friends, Marlee and Liz are even willing to take on segregation and the dangers their friendship could bring to both their families. Winner of the New-York Historical Society Children's History Book Prize A New York Times Book Review Editor's Choice

Fans of Kate DiCamillo and Linda Urban will love The Thing About Georgie, a warm and humorous story starring an unforgettable young boy with dwarfism, from acclaimed author Lisa Graff. As far as Georgie is concerned, everyone has a "thing." The thing about poodles is that Georgie Bishop hates to walk them. The thing about Jeanie the Meanie is that she would rather write on her shoe than help Georgie with their Abraham Lincoln project. The thing about Andy's nonna is that she kisses Georgie's cheeks and doesn't speak one word of English. The thing about Georgie's mom is that she's having a baby—a baby who will probably be taller than Georgie very, very soon. The thing about Georgie . . . well, what is the thing about Georgie?

The Expert series provides rigorous exam training for high-achieving students while continuing to develop language awareness and communication skills. First Expert is an intensive course for students who are preparing for the Cambridge First Certificate in English examination and will prove to satisfy your students' practice needs and allow them to achieve their full potential.
