Songbook for Vacation Bible School

“ Thompson-Hernández's portrayal of Compton's black cowboys broadens our perception of Compton's young black residents, and connects the Compton Cowboys to the historical legacy of African Americans in the west. An eye-opening, moving book. ” — Margot Lee Shetterly, New York Times bestselling author of Hidden Figures A rising New York Times reporter tells the compelling story of The Compton Cowboys, a group of African-American men and women who defy stereotypes and continue the proud, centuries-old tradition of black cowboys in the heart of one of America ' s most notorious cities. In Compton, California, ten black riders on horseback cut an unusual profile, their cowboy hats tilted against the hot Los Angeles sun. They are the Compton Cowboys, their small ranch one of the very last in a formerly semirural area of the city that has been home to African-American horse riders for decades. To most people, Compton is known only as the home of rap greats NWA and Kendrick Lamar, hyped in the media for its seemingly intractable gang violence. But in 1988 Mayisha Akbar founded The Compton Jr. Posse to provide local youth with a safe alternative to the streets, one that connected them with the rich legacy of black cowboys in American culture. From Mayisha ' s youth organization came the Cowboys of today: black men and women from Compton for whom the ranch and the horses provide camaraderie, respite from violence, healing from trauma, and recovery from incarceration. The Cowboys include Randy, Mayisha ' s nephew, faced with the daunting task of remaking the Cowboys for a new generation; Anthony, former drug dealer and inmate, now a family man and mentor, Keiara, a single mother pursuing her dream of winning a national rodeo championship, and a tight clan of twentysomethings--Kenneth, Keenan, Charles, and Tre--for whom horses bring the freedom, protection, and status that often elude the young black men of Compton. The Compton Cowboys is a story about trauma and transformation, race and identity, compassion, and ultimately, belonging. Walter Thompson-Hernández paints a unique and unexpected portrait of this city, pushing back against stereotypes to reveal an urban community in all its complexity, tragedy, and triumph. The Compton Cowboys is illustrated with 10-15 photographs.

From coming of age under poverty and the looming threat of racial violence to preaching from the Ebenezer pulpit for forty years, King, Sr., candidly reveals his life inside the civil rights movement, illustrating the profound influence he had on his son. Born in 1899 to a family of sharecroppers in Stockbridge, Georgia, Martin Luther King, Sr., came of age under the looming threat of violence at the hands of white landowners. Growing up, he witnessed his family being crushed by the weight of poverty and racism, and escaped to Atlanta to answer the calling to become a preacher. Before engaging in acts of political dissent or preaching at Ebenezer Baptist Church, where he would remain for more than four decades, King, Sr., earned high school and college diplomas while working double shifts as a truck driver—and he won the heart of his future wife, Alberta “ Bunch ” Williams. King, Sr., recalls the struggles and joys of his journey: the pain of leaving his parents and seven siblings on the family farm; the triumph of winning voting rights for blacks in Atlanta; and the feelings of fatherly pride and anxiety as he watched his son put his life in danger at the forefront of the civil rights movement. Originally published in 1980, Daddy King is an unexpected and poignant memoir. “ There are two men I am supposed to hate. One is a white man, the other is black, and both are serving time for having committed murder. James Earl Ray is a prisoner in Tennessee, charged with killing my son. Marcus Chenault was institutionalized as deranged after shooting my wife to death. I don ' t hate either one. There is no time for that, and no reason, either. Nothing that a man does takes him lower than when he allows himself to fall so far as to hate anyone. ” —The Reverend Martin Luther King, Sr., in Daddy King

"While this is a glimpse of Frankfort's African American community, it has much in common with other Black communities, especially those in the South. Although much in the collection that produced this work - both photographic and oral history - is nostalgic, it ultimately demonstrates that change is constant, producing both negative and positive results."--BOOK JACKET.
