History and profile. Rinascita was founded in 1944. The founder was Palmiro Togliatti, the leader of the PCI. He launched the magazine upon his return to Italy from exile in Moscow.

The seventh book in the NYT bestselling *Expanse* series, *Persepolis Rising* finds an old enemy returning home with more power and technology than anyone thought possible, and the crew of the aging gunship Rocinante tries to rally forces against the new invasion. HUGO AWARD WINNER FOR BEST SERIES An old enemy returns. In the thousand-sun network of humanity's expansion, new colony worlds are struggling to find their way. Every new planet lives on a knife edge between collapse and wonder, and the crew of the aging gunship Rocinante have their hands more than full keeping the fragile peace. In the vast space between Earth and Jupiter, the inner planets and belt have formed a tentative and uncertain alliance still haunted by a history of wars and prejudices. On the lost colony world of Laconia, a hidden enemy has a new vision for all of humanity and the power to enforce it. New technologies clash with old as the history of human conflict returns to its ancient patterns of war and subjugation. But human nature is not the only enemy, and the forces being unleashed have their own price. A price that will change the shape of humanity -- and of the Rocinante -- unexpectedly and forever. . . A multidisciplinary index covering the journal literature of the arts and humanities. It fully covers 1,144 of the world's leading arts and humanities journals, and it indexes individually selected, relevant items from over 6,800 major science and social science journals. Superstars Jeph Loeb and Simone Bianchi's titanic tale is collected in one oversized volume! Sworn foes Wolverine and Sabretooth have been locked in an endless grudge match that goes back longer than either can remember - or even imagine. But the key to their bloody history is eons old: Who is the immortal manipulator Romulus? And exactly how deep does the conspiracy surrounding Wolverine's century-long life go? As Sabretooth cheats certain death and the villainous duo close in for the kill, long-buried secrets are revealed that rewrite Wolverine's entire history! COLLECTING: Wolverine 50-55, Wolverine 310-313 The dynamic duo uncovers clues involving the mysterious death of Bruce Wayne before facing off against each other in a heated battle that both heroes will regret - if they live through it Struck by a bolt of lightning and doused in chemicals, Central City Police scientist Barry Allen was transformed into the fastest man alive. Tapping into the energy field called the Speed Force, he applies a tenacious sense of justice to protect and serve the world as the Flash! The Fastest Man Alive returns in the New 52 with writer/artist team Francis Manapul and Brian Buccellato. The Flash knows he can't be everywhere at once, but he has seemingly met his match when he faces DC Comic's hottest new super-villain, Mob Rule, who really can be everywhere at once! As Mob Rule wages a campaign of crime across Central City, including an electromagnetic blast that plunges the city into darkness, the Flash learns that the only way he can capture Mob Rule and save Central City is to learn how to make his brain function even faster than before—but as much as his new moves help him, they also comes with a steep price. This volume collects issues 1-8.

"When, why and how was it first believed that the corpse could reveal 'signs' useful for understanding the causes of death and eventually identifying those responsible for it? The Body of Evidence. Corpses and Proofs in Early Modern European Medicine, edited by Francesco Paolo de Ceglia, shows how in the late Middle Ages the dead body, which had previously rarely been questioned, became a specific object of investigation by doctors, philosophers, theologians and jurists. The volume sheds new light on the elements of continuity, but also on the effort made to liberate the semantization of the corpse from what were, broadly speaking, necromantic practices, which would eventually merge into forensic medicine"-

Asterios Polyp, its arrogant, prickly protagonist, is an award-winning architect who's never built an actual building, and a pedant in the midst of a spiritual crisis. After the structure of his own life falls apart, he runs away to try to rebuild it into something new.
