Naughty ?Angel? Mommy2B! asked in Cars & Transportation Car Makes Scion · 1 decade ago How can I change the colors on the Pioneer Premium audio system on my 2008 Scion TC? It says on the Scion website that the display allows you to change the color, but mine is black and white for now and I can't figure it out.

Popular Science gives our readers the information and tools to improve their technology and their world. The core belief that Popular Science and our readers share: The future is going to be better, and science and technology are the driving forces that will help make it better.

Popular Mechanics inspires, instructs and influences readers to help them master the modern world. Whether it's practical DIY home-improvement tips, gadgets and digital technology, information on the newest cars or the latest breakthroughs in science -- PM is the ultimate guide to our high-tech lifestyle.

Where the Dark and the Light Folks Meet tackles a controversial question: Is jazz the product of an insulated African-American environment, shut off from the rest of society by strictures of segregation and discrimination, or is it more properly understood as the juncture of a wide variety of influences under the broader umbrella of American culture? This book does not question that jazz was created and largely driven by African Americans, but rather posits that black culture has been more open to outside influences than most commentators are likely to admit. The majority of jazz writers, past and present, have embraced an exclusionary viewpoint. Where the Dark and the Light Folks Meet begins by looking at many of these writers, from the birth of jazz history up to the present day, to see how and why their views have strayed from the historical record. This book challenges many widely held beliefs regarding the history and nature of jazz in an attempt to free jazz of the socio-political baggage that has so encumbered it. The result is a truer appreciation of the music and a greater understanding of the positive influence racial interaction and jazz music have had on each other.

After a car accident that triggers a spell set on her from birth, Estyria finds herself in a world where the gods walk the earth, magic is all too real, and political intrigue strikes close to home. Caught in a competition for the throne, she must learn to navigate the muddy waters of court politics, familial obligations, an entanglement of the heart and soon. More than just her heart or her life is at stake -- the fate of an entire nation could rest upon her choice.

Scions of Stone is a gargoyle-themed player sourcebook containing six new gargoyle breeds for the Pathfinder RPG. The book is intended to fuel a new breed of player character (literally) either in a stand-alone setting, or as part of a new campaign. It has everything you would need as a GM or PC (races, feats, spells, magic items, enemies, and a sample settlement) if you wanted to stitch together an adventure arc or campaign centered around gargoyles. As a player, you can simply drag and drop any one of the six new gargoyle variant races within to your existing game and unveil the hidden breeds. There are six significantly different gargoyle races, along with layers of familial and social complexity. There are the common Awakened gargoyles, the Infernal Trumeau, the massive Vossoui, the swift Crenelet, the draconic Lesene and the monstrous Betes. There are mysteries and conflicts even within the knowledge of the gargoyle races, allowing an aspiring GM to expand on what is offered, or take things in a direction of their own choosing. Each race is fully developed with a total of 98 pages of content! There are tons of new gargoyle-themed feats, abilities, traits, archetypes, spells, magical items and factions! Even a gargoyle paragon class. All of the content is hyperlinked to the d20pfsrd.com website for your convenience of use and extensively bookmarked. The content is intended on expanding the play opportunities for a GM and PCs alike, who are looking to take Pathfinder to the limit, and then ask for more. On shadowed wing, these are the Scions of Stone!

NEW YORK TIMES BESTSELLER • “A fascinating look at how consumers perceive logos, ads, commercials, brands, and products.”—Time How much do we know about why we buy? What truly influences our decisions in today’s message-cluttered world? In Buology, Martin Lindstrom presents the astonishing findings from his groundbreaking three-year, seven-million-dollar neuromarketing study—a cutting-edge experiment that peered inside the brains of 2,000 volunteers from all around the world as they encountered various ads, logos, commercials, brands, and products. His startling results shatter much of what we have long believed about what captures our interest—and drives us to buy. Among the questions he explores: • Does sex actually sell? • Does subliminal advertising still surround us? • Can “cool” brands trigger our mating instincts? • Can our other senses—smell, touch, and sound—be aroused when we see a product? Buology is a fascinating and shocking journey into the mind of today’s consumer that will captivate anyone who’s been seduced—or turned off—by marketers’ relentless attempts to win our loyalty, our money, and our minds.

Be careful what you wish for! For fans of slow building, character driven, intense and compelling psychological thrillers. A self-obsessed Japanese icon appears to have a perfect life. Fame, fortune, and a celebrity marriage... but all is not as it seems. Yayoi wears her glamor like a mask. There are dark corners of her life she wants to hide from her many fans. An abusive husband, an oppressive recording contract with J-BIG Corp, a company controlled by her husband's family that is crushing her creativity. Then there are all her memories of a life swept away by a tsunami. While in New Zealand to film a music video, she is surprised by her estranged husband Nori, who without warning appears at her hotel and assaults her. On the run from both Nori and J-BIG, she meets Bill, a young corporate attorney recently made redundant, who plans to revisit his past in the hope he can heal old wounds and reshape his future. Although from two very different worlds, they find themselves falling for each other, both unaware of the extreme measures Nori will take to get Yayoi to return to Japan with him. The Girl With Two Names is set in urban Japan and the raw backwoods of New Zealand. NB : the book, as stated above, is a psychological thriller. You are being purposefully placed in the head of a heroine with strong personality flaws that do have severe outcomes for those who allow her into their lives. This is an important aspect of the story. \_\_\_\_\_ Four out of four stars! - Official Review, Online Book Club
