A complete guide to dominating search engines with your WordPress site About This Book Everything you need to get your WordPress site to the top of search engines and bring thousands of new customers to your blog or business Learn everything from keyword research and link building to customer conversions, in this complete guide Packed with real-world examples to help get your site noticed on Google, Yahoo, and Bing Who This Book Is For This book is for anyone who runs any of the over 90,000,000 WordPress installations throughout the world. If you can login to your WordPress website, you can implement most of the tips in this book without any coding experience. What You Will Learn The elements that search engines use to rank websites—and how to optimize your site for premium placement Harness social media sites to extend the reach of your site and gain more visitors Discover the high-volume, high-value search phrases that customers use when searching for your products or services Avoid dangerous black-hat optimization techniques and the people who advocate and purvey them Build high-quality, high-value links from other websites to raise your rankings in search engines Create optimized and engaging content that both search engines and readers will love Avoid common SEO mistakes that can get your site penalized by search engines In Detail WordPress is a powerful platform for creating feature-rich and attractive websites but, with a little extra tweaking and effort, your WordPress site can dominate search engines and bring thousands of new customers to your business. WordPress Search Engine Optimization will show you the secrets that professional SEO companies use to take websites to the top of search results. You'll take your WordPress site to the next level; you'll brush aside even the stiffest competition with the advanced tutorials in this book. Style and approach This is a practical, hands-on book based around sound SEO techniques specifically applied to WordPress. Each chapter starts with a brief overview of the important concepts then quickly moves into practical step-by-step actions you can take immediately. Throughout the book, you'll get clear instructions and detailed screenshots, so you can see exactly what to do each step of the way.

WordPress® SEO Success Search Engine Optimization for Your WordPress Website or Blog Hands-on, up-to-the-minute SEO techniques specifically for WordPress users! WordPress gives you amazingly powerful SEO tools: this hands-on guide will help you make the most of them! Written specifically for WordPress users, this guide covers all you need: built-in WordPress capabilities, third-party plugins, well-integrated web resources, and more. Whether you manage a large-scale site or a personal blog, Jacob Aull will help you integrate SEO into all you do, from strategy through optimization of existing content. New to SEO? Already do it for a living? Either way, WordPress SEO Success will help you drive the traffic you want--and the value you need! Build a complete SEO strategy--and a content plan that aligns with it Choose the best WordPress SEO tools and plugins for your needs Uncover quick, powerful ways to improve your site Identify and research keywords far more effectively Reflect SEO in architecture via site mapping and marketing funnels Sensibly manage the inevitable tradeoffs of optimization Improve SEO even if you 're running a free WordPress.com blog Leverage content themes and keyword-driven blogging techniques Optimize "blog-meets-website" and "multiple blogs+sites" deployments Strengthen your rankings by intelligently using social media Optimize your sites for smartphones and tablets Measure performance via free analytics--including mobile analytics Integrate organic SEO with paid advertising Avoid today 's worst SEO blunders Jacob Aull, principal of Zen Fires Digital Marketing, has been in Internet marketing since the label existed. He began doing web design and branding in the late '90s as an agency partner. While transitioning deeper into online and search marketing, he earned an M.S. in marketing from Georgia State 's Robinson College of Business in 2009. There he customized his own degree program, executing an independent capstone thesis on social media marketing. In 2010, the university asked him to write and teach its first course on social media marketing, which he continues today. Aull edited Prentice Hall 's first social media marketing textbook, and wrote its accompanying instructor 's manual. He co-founded and chaired the Atlanta Interactive Marketing Association Social Media SIG, and speaks widely on social and search marketing.

"A past-paced guide for PHP developers ... Walk through the development of six complete, feature-rich, real-world plugins that are being used by thousands of WordPress users [Digg this, Live blogroll, The wall, Snazzy archives, Insights, Post types] ; ... get to know the WordPress code base, and WordPress's plugin architecture ; hook into the rest of WordPress using actions and filters ; integrate Ajax and jQuery into your plugins, to dynamically generate content ; maintain and manage your plugin using SVN and publish it to the WordPress Plugin Repository." -- Cover, p.4.
