Single mom Jess Calhoun had learned the hard way not to trust a man in a Stetson; her young son's dad was long gone. But that doesn't stop Jess from noticing good-lookin', sweet-talkin' cowboy Johnny Jameson swagger into town. He's as wild and untamed as the stallions he trains. The attraction between them is as fiery as a Texan summer and Johnny finds himself questioning whether he could finally put down roots--in Larkville, a place where two very special people have taken hold of his heart."--P. Young Samson, living in rural New Mexico, abandoned by his father and abused by his mother's lover, has one confidant, his Grampa, and one dream: to save enough money to buy a gun. But the money is slow in coming, and his tormentor only gets stronger--especially when Samson falls in love with a neighbor, Rosa. As Samson ages, he hardens. His revenge on those who betrayed him takes shocking form. Redemption comes--but it may be too late. Written in a style both spare and intense, The Gun Jar is a searing portrait of an innocent young man twisted by cruelty, and an indictment of those who turn their faces away.

When he was struggling to get his first restaurant in the black, he didn't think he'd be famous for a TV show about how to run profitable eateries, or that he'd be head of a business empire. But he is and he did. Here's how.
