So, the very next day I got to work and started putting my reading folders together. I'm going to label these, “Fluency Folders”... clever, right?! ? First and foremost, I made everything on my school computer where I don't have cute fonts ? and I don't have anything to “share” with you except for the idea.

Provides methods for teaching students in middle school with reading problems using lessons, strategies, and foundational knowledge.

"Subject Areas/Keywords: assessments, decoding, elementary, English language learners, fluency, literacy instruction, oral reading, primary grades, prosody, reading comprehension, reading expressiveness, reading methods, secondary, struggling readers Description: This accessible guide brings together well-known authorities to examine what reading fluency is and how it can best be taught. Teachers get a clear, practical roadmap for navigating the often confusing terrain of this crucial aspect of balanced literacy instruction. Innovative approaches to instruction and assessment are described and illustrated with vivid examples from K-12 classrooms. The book debunks common misconceptions about fluency and clarifies its key role in comprehension. Effective practices are presented for developing fluency in specific populations, including English language learners, adolescents, and struggling readers"--

Fountas & Pinnell Leveled Literacy Intervention (LLI) is a powerful early intervention system that can change the path of a student's journey to literacy. The LLI Orange System is specifically targeted at Foundation/Kindergaten students. Please note the program guide is not suitable for educators who have not yet purchased an LLI Orange System. This component is only available separately so that schools with the LLI Orange System can purchase additional copies of the program guide if they require. Find out more about the Fountas & Pinnell LLI System at [www.pearson.com.au/primary/LLI](http://www.pearson.com.au/primary/LLI)
