In *The Beaver Papers 2: The Fall of the Beaver*, Jacobs and Jones detail the heroic quest of the Beaver cast to find a new home for their beloved show, a quest that led them through the darkest corners of the TV, movie, theater, and even comic book industries.

~~The Beaver Papers 2: The Fall of the Beaver: Volume 2~~ ...

"The Beaver Papers 2: The Fall of the Beaver" is Volume 2 is more of the same, a collision between the immutable sitcom form and different types of literature. Maybe there is a little more (thwarted and misunderstood) sexual desire in Volume 2 than in the first book, but it is great seeing these clueless suburbanites wrestling with the urges that were banished from the sitcom.

I loved the original "Beaver Papers." Volume 2 is more of the same inspired fun, a collision between the immutable form of the sitcom and different types of literature. Maybe there is more (thwarted and misunderstood) sexual desire in Volume 2 than in the first book, but it is great seeing these clueless suburbanites wrestling with the urges that were banished from the sitcom.

~~The Beaver Papers: The Story of the Lost Season~~ ...

"In *The Beaver Papers 2: The Fall of the Beaver*, Jacobs and Jones detail the heroic quest of the Beaver cast to find a new home for their beloved show, a quest that led them through the darkest corners of the TV, movie, theater, and even comic book industries. Along the way they present twenty-five new *Leave It to Beaver* adventures as if written by world-renowned authors, including J. D. Salinger (*The Beaver in the Rye*), H. P. Lovecraft (*The Mayfield Horror*), Flannery O'Connor (*A Good Beaver Is Hard to Find*), Vladimir Nabokov (*Pale Beaver*), and Ayn Rand (*Cleaver Shrugged*)" --

In 1983, *The Beaver Papers* chronicled the efforts of the world's literary community to save the iconic sitcom *Leave It to Beaver* from cancellation. Along with a behind-the-scenes look at what went on at the studio during that enchanted summer, the book contained such scripts as Tennessee Williams's *Beaver on a Hot Tin Roof*, Yukio Mishima's *The Sound of Beaver*, Jack Webb's *Red Beaver*, and Ernest Hemingway's *A Clean, Well-Lighted Beaver*, as well as such classic homages as Herman Hesse's *Beaverwolf* and Dostoevsky's *The Brothers Cleaver*...twenty-five scripts that destroyed once and for all the shadowy border between high art and popular culture. Now, for this 30th Anniversary Edition, we present the entire original edition, along with a new introduction from the authors, a foreword by Lionel Enderberry (*The Max Kleinman Reader*), and a sneak preview of the long-awaited sequel, *The Beaver Papers 2*, also available from Atomic Drop Press.

~~The Beaver Papers: The Story of the Lost Season~~ ...

National Protection for National Citizens, 1873 to 1880 is the third of six planned volumes of *The Selected Papers of Elizabeth Cady Stanton and Susan B. Anthony*. The entire collection documents the friendship and accomplishments of two of America's most important social and political reformers. Though neither Stanton nor Anthony lived to see passage of the Nineteenth Amendment in 1920, each of them devoted fifty-five years to the cause of woman suffrage. The third volume of the *Selected Papers of Elizabeth Cady Stanton and Susan B. Anthony* opens while woman suffragists await the decision of the U.S. Supreme Court in cases testing whether the Constitution recognized women as voters within the terms of the Fourteenth and Fifteenth Amendments. At its close they are pursuing their own amendment to the Constitution and pressing the presidential candidates of 1880 to speak in its favor. Through their letters, speeches, articles, and diaries, the volume recounts the national careers of Elizabeth Cady Stanton and Susan B. Anthony as popular lecturers, their work with members of Congress to expand women's rights, their protests during the Centennial Year of 1876, and the launch that same year of their campaign for a Sixteenth Amendment.
