Much like the life's journey of a person transitioning from learning to giving back, the Dalai Lama's cat does more than discover and ruminate on the principles of Buddhism. In Book 4, she enacts them in thoughtful and proactive ways. His Holiness's Cat (HHC), aka The Most Beautiful Creature Who Ever Lived, gains another title, Therapy Cat.

The Dalai Lama's Cat by David Michie My Rating: A delightful 4.5/5 First of all, a heartfelt “Thank You” to Namita Verma (especially) and other raccoons (generally, since I don’t remember all the names) who recommended this book so strongly to me. I have taken away the half point for one peculiar reason, which may only be due to my own interests in such matters, which I shall lay down later in this review.

A wonderful, warm story on the surface, The Dalai Lama's Cat quickly becomes much more. Rescued from near death by the Dalai Lama, the Cat of Many Names finds herself living with and learning from His Holiness himself. Her story includes many of the people on his staff, the townsfolk, visitors, and of course the Lamas and novices of the temple.

That was the start of The Dalai Lama's Cat series. One thing I hadn't counted on was how engaged readers would become in the life of His Holiness's Cat – or HHC, to give her official title. Because the simple fact is that characters and stories engage us at an emotional level, which most non-fiction books do not.

The Dalai Lama called the cat “my little ‘Bodhicatva.’” She gained several new names in the course of her life in the monastery. One of the early ones was HHC, which meant “His Holiness’s cat.” The Dalai Lama also referred to her as his little “snow lion.”

Cats getting together is hardly 'romantic'. That the Dalai Lama and his household would be such irresponsible cat guardians as to not get their cat fixed in time is a bit much. Sorry but cat welfare is too important to ignore and causes this book to fail to a degree with its spiritual message.

Beautiful story about an anthropomorphic cat with the good luck to be rescued, nearly dead, from an Indian city slum, by His Holiness the Dalai Lama and raised to adult cat-hood by His Holiness and brother monks, along with a fascinating cast of characters: Westerners looking for Eastern wisdom, Easterners with Western technology, world-famous actors and actresses who come for a blessing, and many more, both human and animal.

"In the months that followed I watched His Holiness working on a new book . . . I began to think that perhaps the time had come for me to turn my paws to a book of my own . . . one that tells my own tale . . . How I was rescued from a fate too grisly to contemplate, to become constant companion to a man who is not only one of the world's greatest spiritual leaders and a Nobel Peace Prize laureate, but who is also a dab hand with the can opener." Not so much fly-on-the-wall as cat-on-the-sill, this is the warmhearted tale of a small kitten rescued from the slums of New Delhi who finds herself in a beautiful sanctuary with sweeping views of the snow-capped Himalayas. In her exotic new home, the Dalai Lama's cat encounters Hollywood stars, Buddhist masters, Ivy-league professors, famous philanthropists, and a host of other people who come visiting His Holiness. Each encounter offers a fresh insight into finding happiness and meaning in the midst of a life of busy-ness and challenge. Drawing us into her world with her adorable but all-too-flawed personality, the Dalai Lama's cat discovers how instead of trying to change the world, changing the way we experience the world is the key to true contentment. Featuring a delightful cast of characters, timeless Buddhist wisdom, and His Holiness's compassion pervading every chapter, The Dalai Lama's Cat is simply enchanting.

"What makes you purr? Of all the questions in the world, this is the most important. . . . Because no matter whether you are a playful kitten or sedentary senior, whether you're a scrawny alley Tom, or sleek-coated uptown girl, whatever your circumstances you just want to be happy. Not the kind of happy that comes and goes like a can of flaked tuna, but an enduring happiness. The deep down happiness that makes you purr from the heart." His Holiness's cat is back—older, a bit wiser, and as curious as ever. In this book, the Dalai Lama sets for his lovable feline companion the task of investigating The Art of Purring. Whether it's the humorous insights gained from a visiting Ivy League Psychology Professor, the extraordinary research of a world-famous biologist, or the life-changing revelations of a mystical yogi, His Holiness's Cat encounters a wealth of wisdom about happiness. And what she discovers changes the way she sees herself forever. With a much loved—and growing—cast of characters from the local community and His Holiness's residence, as well as encounters with intriguing strangers and celebrities from far and wide, The Dalai Lama's Cat and the Art of Purring will transport readers in another unforgettable story. Along the way they will come to understand how elements of contemporary science and Buddhism converge. And, once again, they will feel the warmth of compassion and nonattachment that radiate from the heart of the Dalai Lama's teachings about our quest for enduring happiness.

In this simple and accessible but beautifully written book, David Michie opens the door to the core teachings of Tibetan Buddhism, and shows us how he himself first began incorporating Buddhist practices into his daily life. What does it take to be happy? We've all asked ourselves this question at some point, but few of us have found the path to lasting fulfillment. David Michie thought he had achieved his life's goals--the high-level job, the expensive city apartment, the luxury car, the great vacations--but a small voice was telling him he wasn't really happy. A chance remark from a naturopath sent him to his local Buddhist center. There he began the most important journey of his life. In Buddhism for Busy People Michie explains how he came to understand the difference between the temporary pleasures of ordinary life and the profound sense of well-being and heartfelt serenity that comes from connecting with our inner nature.

Take a peek inside the mind of a delightfully imperfect creature on the path to enlightenment.In the latest instalment of the Dalai Lama's Cat series, readers escape to the enchanting and exotic world of the Dalai Lama's monastery in the Himalayas.His Holiness's Cat (HHC) is on a mission: to think less, to experience more, to live in the moment. She soon learns the proper phrase for this: being mindful, or, a concept better known to her as the power of meow. What ensues is a journey to discover her own true nature, to gain a deeper understanding of her mind and to experience life's greatest joy - the here and now.By accompanying HHC on her journey, you will learn new ways to relate to your own mind: slowing down, finding peace and abiding in the boundless radiance and benevolence that is your own true nature.

If you're wondering how being in the presence of an enlightened person may be communicated on the pages of book written by a flawed and complex-if extremely beautiful-cat, let me confess that my only job here is to offer you a mirror. A looking glass of a particular kind. One that reflects back not the contours of your nose or the arch of your brow, but which provides a much deeper reflection of who and what you are. Look closely, dear reader, there's no need to be afraid. For what you will discover, if you ever doubted it, is that your own true nature is quite different from whatever flecks and imperfections may temporarily obscure it. At heart you are a being whose pristine nature is nothing other than pure, great love and pure, great compassion. Mine too!

Enlivened by personal anecdotes and intimate accounts, His Holiness provides step-by-step exercises to help readers shatter their false assumptions and ideas of the self and see the world as it actually exists, which is a prelude to right action. Reprint.
