It was the twentieth anniversary of Princess Diana's passing that inspired me to read The Diana Chronicles. It was written about ten years after her death. I'm glad I chose this as my first book about the royals. Most of what Tina Brown relates about Diana's vulnerable yet volatile personality was touching and believable.

Even as a child, Princess Diana was no stranger to the House of Windsor royal family. Diana, born on July 1, 1961, was "the youngest daughter of the then Viscount and Viscountess Althorp, now the late Earl Spencer and the Hon Mrs Shand-Kydd," as noted by the BBC. She was born at Sandringham, which is one of the Queen's private estates, and spent much of her early childhood there as well.

The 20th Anniversary Edition of Tina Brown's definitive behind-the-scenes insight into the life of Diana Princess of Wales with a brand new introduction by Andrew Marr. Twenty years after her death, Princess Diana remains a mystery. Was she "the people's princess," who electrified the world with her beauty and humanitarian missions? Or was she a manipulative, media-savvy neurotic who nearly brought down the monarchy? In this new 20th anniversary commemorative edition, which includes a new introduction by Andrew Marr, The Diana Chronicles parts the curtains on Diana's troubled time in the mysterious world of the Windsors, as she breaks out of her royal cage into celebrity culture, where she found her own power and used it to devastating effect. Knowing Diana personally, Tina Brown understands her world, understands its players and has-reaching insight into the royals and the Queen herself. Meet the formidable female cast and get to know the society they inhabit, as you never have before.

A portrait of the late Princess Diana examines her relationships with the various women in her life, including her sexually charged mother, scheming grandmother, hated stepmother, competitive sisters, and the "other woman," Camilla Parker Bowles.

"For the millions who adored the People's Princess, this lavish book celebrates Diana Spencer's life in pictures. Page after page of inside photos from the legendary National Geographic archives document the royal's most memorable moments in the spotlight; a luminous, personal remembrance by Diana friend and biographer Tina Brown adds context and nuance to a poignant life twenty years after her tragic death. Float down memory lane through more than 100 remarkable images of Diana, from her days as a schoolgirl to her engagement to Prince Charles, the birth of Princes William and Harry, and her life in the media as an outspoken advocate for the poor, the sick, and the downtrodden. This elegant book features reflections from those who knew her best, recollections from dignitaries and celebrities like Nelson Mandela and Elton John, and personal insight through the princess's own words. Published to commemorate the twentieth anniversary of Diana's death, this richly illustrated book is a beautiful ode to one of the world's most beloved women."--Provided by publisher.

Supplemented by many never before published photographs, offers a personal look at the woman known for her humanitarian inspiration to the world.

Named one of the best books of 2017 by Time, People, Amazon.com, The Guardian, Paste Magazine, The Economist, Entertainment Weekly, & Vogue Tina Brown kept delicious daily diaries throughout her eight spectacular years as editor-in-chief of Vanity Fair. Today they provide an incendiary portrait of the flash and dash and power brokering of the Excessive Eighties in New York and Hollywood. The Vanity Fair Diaries is the story of an Englishwoman barely out of her twenties who arrives in New York City with a dream. Summoned from London in hopes that she can save Condé Nast's troubled new flagship Vanity Fair, Tina Brown is immediately plunged into the maelstrom of the competitive New York media world and the backstabbing rivalries at the court of the planet's slickest, most glamour-focused magazine company. She survives the politics, the intrigue, and the attempts to derail her by a simple stratagem: succeeding. In the face of rampant skepticism, she triumphantly reinvents a failing magazine. Here are the inside stories of Vanity Fair scoops and covers that sold millions—the Reagan kiss, the meltdown of Princess Diana's marriage to Prince Charles, the sensational Annie Leibovitz cover of a gloriously pregnant, naked Demi Moore. In the diary's cinematic pages, the drama, the comedy, and the struggle of running an "it" magazine come to life. Brown's Vanity Fair Diaries is also a woman's journey, of making a home in a new country and of the deep bonds with her husband, their prematurely born son, and their daughter. Astute, open-hearted, often riotously funny, Tina Brown's The Vanity Fair Diaries is a compulsively fascinating and intimate chronicle of a woman's life in a glittering era.

Years after her death, Princess Diana remains a mystery. Was she "the people's princess," who electrified the world with her beauty and humanitarian missions? Or was she a manipulative, media-savvy neurotic who nearly brought down the monarchy? Only Tina Brown, former Editor-in-Chief of Tatler, England's glossiest gossip magazine; Vanity Fair; and The New Yorker could possibly give us the truth. Tina knew Diana personally and has far-reaching insight into the royals and the Queen herself. In The Diana Chronicles, you will meet a formidable female cast and understand as never before the society that shaped them: Diana's sexually charged mother, her scheming grandmother, the stepmother she hated but finally came to terms with, and bad-girl Fergie, her sister-in-law, who concealed wounds of her own. Most formidable of them all was her mother-in-law, the Queen, whose admiration Diana sought till the day she died. Add Camilla Parker-Bowles, the ultimate "other woman" into this combustible mix, and it's no wonder that Diana broke out of her royal cage into celebrity culture, where she found her own power and used it to devastating effect.

Argues that the death of Princess Diana was not accidental, examining events and circumstances surrounding the car accident and the subsequent investigation. Reissue.

Paul Burrell served Diana, Princess of Wales, as her faithful butler from 1987 until her death in 1997. He was much more than an employee: he was her right-hand man, confidant, and friend whom Diana herself described as "the only man she ever trusted." Featuring previously unseen interior photographs and remarkably intimate details, The Way We Were flings open the doors to Kensington Palace, leading readers deep inside the private world of Princess Diana—room by room, memory by memory. Marking the tenth anniversary of the princess's death, Burrell has penned a faithful and poignant tribute to "the boss"—capturing as never before her vivacity and love of life, her style, her fashion, and her heart. Some images that appeared in the print edition of this book are unavailable in the electronic edition due to rights reasons.

The sudden and tragic death of Princess Diana caused the world to reflect on how much this singular woman meant to us all. This new edition of her life story -- which includes Diana's personal recollections in her own words, as well as an account of the events surrounding her death -- poignantly strengthens her hold on our hearts. From her fairy-tale wedding and the births of her two wonderful boys to the stunning collapse of her marriage, Diana's luminous but troubled life transfixed millions. Despite enduring heartbreak, illness, and depression, she never wavered in her commitment to the less fortunate, or in her determination to make a better life for herself and her sons. This revealing book is the closest we will ever come to her autobiography -- a lasting and powerful testament to her courage and spirit.

Diana in Search of Herself is the first authoritative biography of one of the most fabled women of the century. Even those who knew Princess Diana will be surprised by author Sally Bedell Smith's insightful and haunting portrait of Diana's inner life. For all that has been written about Diana--the books, the commemorative magazines, the thousands of newspaper articles--we have lacked a sophisticated understanding of the woman, her motivations, and her extreme needs. Most books have been exercises in hagiography or character

assassination, sometimes both in the same volume. Sally Bedell Smith, the acclaimed biographer, former New York Times reporter, and Vanity Fair contributing editor, has written the first truly balanced and nuanced portrait of the Princess of Wales, in all her emotional complexity. Drawing on scores of interviews with friends and associates who had not previously talked about Diana, Ms. Smith explores the events and relationships that shaped the Princess, the flashpoints that sent her careening through life, her deep feelings of unworthiness, her view of men, and her perpetual journey toward a better sense of self. By making connections not previously explored, this book allows readers to see Diana as she really was, from her birth to her tragic death. Original in its reporting and surprising in its conclusions about the severity of Diana's mental-health problems, *Diana in Search of Herself* is the smartest and most substantive biography ever written about this mesmerizing woman. NOTE: This edition does not include photographs.
