The Emerald Tablets are the sacred texts of the Hermetic movement and were favored by Medieval alchemists. The tablets connect Thoth to Atlantis. When Atlantis was destroyed, the people and gods of Atlantis dispersed and went elsewhere in the world. Thoth escaped to Egypt and aided in its establishment.

[Thoth: Egyptian God of Wisdom & Writing From Atlantis and ...](#)

During later ages, the ego of Thoth passed into the bodies of men in the manner described in the tablets. As such, he incarnated three times, in his last being known as Hermes, the thrice-born. In this incarnation, he left the writings known to modern occultists as the Emerald Tablets, a later and far lesser exposition of the ancient mysteries.

The Spiritual, Occult and Historical significance of the "Emerald Tablets" is almost beyond belief of modern man. Written around 36,000 B.C. by Thoth, an Atlantean priest-king, this manuscript dates far back beyond reach of any Egyptian writings ever found. The author, Thoth, a Master-Teacher of the early Egyptians, put this treatise to writing in his native Atlantean language and Dr. Doreal, by use of his expertise as an Occultist and Master of time and space, was given the directive to retrieve these Tablets and translate them into English for the edification of modern man. The powerful and rhythmic verse of Thoth is wonderfully retained in Doreal's translation. Contained within the pages of Thoth's masterpiece of Spiritual and Occult Wisdom is the synthesis of the Ancient Wisdom Teachings, the guideline for initiates of all ages, revealing the Knowledge and Wisdom hitherto held secret, but now in this New Age, revealed to all Seekers on the Path of Light. Dr. M. Doreal, Ms.D., Psy.D., is the Spiritual; Teacher of a multitude of Seekers of Light, having founded a Metaphysical Church and College - The Brotherhood of the White Temple, Inc. He is the author of all of the Organization's writings and teachings, having been given permission for the Esoteric Wisdom to be remitted in a public forum by the Great White Lodge, the Elder Brothers of mankind who shape and form the Spiritual evolution of earth's inhabitants. The Brotherhood of the White Temple, Inc. is a correspondence school, accredited through the State of Colorado, and mails out to its world-wide membership weekly Lessons of Truth. Its four and one-half year College Course unveils the secrets of the Symbolism of all Mystery Schools, giving precisely and beautifully, the step by step progression all Seekers have searched for in their quest for Oneness with God, and for attainment of Cosmic Consciousness. "Read, Believe or not, but read, and the vibration found therein will awaken a response in your soul." - Doreal

The history of the Emerald Tablets is strange and beyond the belief of modern scientists. Their antiquity is stupendous, dating back some 36,000 years B.C. The author is Thoth, an Atlantean Priest-King who founded a colony in ancient Egypt, wrote the Emerald Tablets in his native Atlantean language which was translated by Dr. Michael Doreal. This edition of the Emerald Tablets is unique in that it includes both the translation and interpretation by Dr. Doreal. Because of the tablet's reference to the Egypt and sacred geometry they became a priority reference for those studying the Flower of Life and the Merkaba meditation. As requested by the Flower of Life Organization, this edition offers Dr. Doreal's translation and interpretation in a side-by-side study format.

One of the most Ancient Works of Wisdom this Unabridged Edition of the Emerald Tablets of Thoth contains all Thirteen and Both Supplementary Tablets with Preface: The History of Thoth, The Atlantean - The Halls of Amenti - The Key of Wisdom - The Space Born - The Dweller of Unal - The Key of Magic - The Seven Lords - The Key of Mysteries - The Key of Freedom of Space - The Key of Time - The Key to Above and Below - The Law of Cause and Effect and The Key of Prophecy - The Keys of Life and Death - Supplementary Tablet XIV and Secret of Secrets, Supplementary Tablet XV.

Most ancient spiritual texts are of unknown or uncertain origin, but few are as deeply shrouded in myth, legend and mystery as The Emerald Tablets of Thoth the Atlantean, and the closely associated, and more well-known Emerald Tablet, attributed to Hermes Trismegistus. In this book, Bart Marshall, a renowned translator of many eastern and Christian texts, presents these valuable teachings in a poetic, intensely readable form. Scholars speak of the Emerald Tablet as one of the most mysterious documents ever put before the eyes of man, and describe it as everything from a succinct summary of Neoplatonic philosophy, to an extraterrestrial artifact, to a gift from Atlantis. The Tablet is attributed to the legendary figure of Hermes Trismegistus, said to be an ancient philosopher, healer and sage. References to Trismegistus can be found in Renaissance, Christian, Islamic, Roman and Greek literature, and the Tablet appears and disappears across the ancient world before and after the birth of Christ. Spiritually, the Emerald Tablet and the Emerald Tablets of Thoth are closely related to alchemy, and are said to reveal the secrets of creating the Philosophers Stone. Alchemical traditions, whether European, Middle Eastern, or Asian, pursue the same prize-the creation of the Philosopher's Stone. Also known as the Pearl of Great Price, the Wish-Fulfilling Jewel, and the Heart of the Sun, it is the tool that turns base lead into gold. The ultimate insight to be discovered by the wise, is that the alchemical process is an allegory of spiritual development, outlining inescapable psychological steps one must pass through to reach Self-Realization. It is the ultimate transmutation, turning the base lead of ego into the gold of enlightenment through a process of destruction and refinement. To the master alchemist, producing physical gold is not the objective. Transmuting and refining the soul is the true prize.

The Emerald Tablets, although written over 36,000 years ago, offer wisdom to improve your life right now! The Egyptian God, Thoth commissioned this unique version of The Emerald Tablets in chapter and verse format so that seekers could easily study, reference, and share. Atlantean, that will catapult you towards unparalleled advancement! Immersing yourself in The Emerald Tablets opens a secret doorway, through which you will find eternal joy and transformation. You will be forever changed.

The history of the tablets translated in the following pages is strange and beyond the belief of modern scientists. Their antiquity is stupendous, dating back some 36,000 years B.C. The writer is Thoth, an Atlantean Priest-King, who founded a colony in ancient Egypt after the sinking of the mother country. He was the builder of the Great Pyramid of Giza, erroneously attributed to Cheops. (See The Great Pyramid by Doreal.) In it he incorporated his knowledge of the ancient wisdom and also securely secreted records and instruments of ancient Atlantis.

THE DIVINE PYMANDER AND THE EMERALD TABLETS OF THOTH HERMES TRISMEGISTUS: Including the Glory of the World, the Table of Paradise, the Science of the Philosophers Stone and the Alchemical Catechism

333 Blank Notebook Pages Ask and you shall receive. Write to your wishes they will all come true. Law of Attraction is the belief that positive or negative thoughts bring positive or negative experiences into a person's life. The belief is based on the ideas that people and their thoughts are made from "pure energy", and that a process of like energy attracting like energy exists through which a person can improve their health, wealth, and personal relationships. Advocates generally combine cognitive reframing techniques with affirmations and creative visualization to replace limiting or self-destructive ("negative") thoughts with more empowered, adaptive ("positive") thoughts. A key component of the philosophy is the idea that in order to effectively change one's negative thinking patterns, one must also "feel" (through creative visualization) that the desired changes have already occurred. This combination of positive thought and positive emotion is believed to allow one to attract positive experiences and opportunities by achieving resonance with the proposed energetic law. The Law of Attraction has no scientific basis<sup>[4]</sup> and has been dubbed a pseudoscience. The New Thought (Law of Attraction Origins) grew out of the teachings of Phineas Quimby in the early 19th century. Early in his life, Quimby was diagnosed with tuberculosis. Early 19th century medicine had no reliable cure for tuberculosis. Phineas took to horse riding and noted that intense excitement temporarily relieved him from his affliction. This method for relieving his pain and seemingly subsequent recovery prompted Phineas to pursue a study of 'Mind over Body' Although he never used the words 'Law of Attraction', he explained this in a statement that captured the concept in the field of health: the trouble is in the mind, for the body is only the house for the mind to dwell in, and we put a value on it according to its worth. Therefore if your mind has been deceived by some invisible enemy into a belief, you have put it into the form of a disease, with or without your knowledge. By my theory or truth, I come in contact with your enemy and restore you to your health and happiness. This I do partly mentally and partly by talking till I correct the wrong impressions and establish the Truth, and the Truth is the cure. In 1877, the term 'Law of Attraction' appeared in print for the first time in a book written by the Russian occultist Helena Blavatsky, in a context alluding to an attractive power existing between elements of spirit. (Her book *Isis Unveiled* discusses esoteric mysteries of ancient theosophy.) The one who really first articulated the Law as general principle, however was Prentice Mulford. Mulford, a pivotal figure in the development of New Thought thinking, discusses the Law of Attraction at length in, for example, his essay "The Law of Success", published 1886-1887. In this, Mulford was followed by other New Thought authors, such as Henry Wood (starting with his *God's Image in Man*, 1892), and Ralph Waldo Trine (starting with his first book, *What All the World's A-Seeking*, 1896). For these authors, the Law of Attraction is concerned not only about health but every aspect of life. The 20th century saw a surge in interest in the subject with many books being written about it, amongst which are two of the best-selling books of all time; *Think and Grow Rich* (1937) by Napoleon Hill, *The Power of Positive Thinking* (1952) by Norman Vincent Peale, and *You Can Heal Your Life* (1984) by Louise Hay. Even if the New Age movement adopted many New Thought ideas, including that of the Law of Attraction, the Law of Attraction remains a new thought philosophical concept. In 2006, the concept of the Law of Attraction gained a lot of renewed exposure with the release of the film *The Secret* (2006) which was then developed into a book of the same title in 2007. Rhonda Byrne's book also has influenced the creation of a fiction film based on *The Secret*.

The Emerald Tablet, also known as the Smaragdine Table, or *Tabula Smaragdina*, is a compact and cryptic piece of the Hermetica reputed to contain the secret of the prima materia and its transmutation. It was highly regarded by European alchemists as the foundation of their art and its Hermetic tradition. The original source of the Emerald Tablet is unknown. Hermes Trismegistus is the author named in the text. The layers of meaning in the Emerald Tablet have been associated with the creation of the philosopher's stone, laboratory experimentation, phase transition, the alchemical magnum opus, the ancient, classical, element system, and the correspondence between macrocosm and microcosm.

The The Emerald Tablet of Hermes & Kybalion compose two pillars of Hermetic thought. Combined here in one volume, these two works share true wisdom with those ready to receive it. "When the ears of the student are ready to hear, then cometh the lips to fill them with wisdom." The Kybalion was first published anonymously in 1908 by "The Three Initiates." The true authorship of the work is unknown, although theories suggest it was written entirely or in part by William Walker Atkinson. Atkinson was a prolific writer and supported the New Thought movement of the 19th and early 20th centuries. New Thought included the belief that our realities can be manifested by mental effort, which is also suggested in Hermetic principles. Scholars point to similarities in style and content between The Kybalion and Atkinson's own *The Arcane Teachings* as evidence that he was one (or all) of "The Three Initiates." The Kybalion provides an introduction to the teachings of Hermes Trismegistus--Hermes "the Thrice-Greatest." This "Master of Masters" is said in The Kybalion to have lived 300 years on Earth, and believed by some to be the founder of both astrology and alchemy (precursors to astronomy and chemistry, respectively). Hermes Trismegistus was deified after his death as Toth by the ancient Egyptians, and Hermes by the Greeks. In both pantheons, this man-turned-god was considered a symbol of great wisdom. The Kybalion's explanation of Hermetic teachings are claimed to have been passed down orally for centuries, eventually reaching "The Three Initiates." The fundamental Hermetic traditions presented in The Kybalion consist of seven "working principles" Mentalism, Correspondence, Vibration, Polarity, Rhythm, Cause and Effect, and Gender. Within these seven principles is true wisdom, tied to no particular place and no particular religion. It is the "sacred flame" kept lit by a chosen few used to "re-light the lesser lamps of the outside world when the light of truth grew dim..." In short, these are the truths of the universe, regardless of era or creed. The Emerald Tablet of Hermes is a short, ancient text attributed to Hermes Trismegistus himself. Unlike The Kybalion, which aims to provide some explanation and instruction, the brief Emerald Tablet has been puzzling and fascinating scholars for over 1,000 years. Consisting of a mere 14 stanzas, the Emerald Tablet is said to contain the secrets of prima materia--the foundational material of the universe. The Emerald Tablet and its teaching influenced freemasonry and philosophy throughout history. The text of the tablet has been translated and commented on by a variety of scholars, including Sir Isaac Newton who was inspired by its teachings throughout his life and work. The earliest known version of the text comes from an Arabic work written between the 6th and 8th centuries by Balinas. He claimed to have found the tablet hidden in a vault beneath a statue of Hermes. Another story claims the tablet was written by Seth, the third son of Adam and Eve. And yet another says the tablet was uncovered and then reburied by Alexander the Great. The source and material of the physical tablet is unknown. It was reported to be a rectangular green stone, with text in raised bas-relief rather than engraved. Some even claim there never was a physical tablet at all, although several accounts claim it was on display in Egypt in 330 BCE. Whatever its origins and history, the work was first introduced to the West in the 12th century through Latin translations. Since then, this cryptic text has been translated and re-translated, pored-over and analyzed by philosophers, historians, and theologians alike.
