“Because there is no opportunity to act. It is always wise to talk a great deal, discussing what has been done and what may be done, when nothing can be done. All the great political movements of history were born in prisons.”

First published in 1972, this SF masterpiece has been out of print for most of a decade. Now, this "subtle, ingenious, and poetic book" (Ursula Le Guin) entertains a new generation of readers with the story of two far-flung sister planets and a man's quest to find remnants of a lost.

Back in print for the first time in more than a decade, Gene Wolfe's The Fifth Head of Cerberus is a universally acknowledged masterpiece of science fiction by one of the field's most brilliant writers. Far out from Earth, two sister planets, Saint Anne and Saint Croix, circle each other in an eternal dance. It is said a race of shapeshifters once lived here, only to perish when men came. But one man believes they can still be found, somewhere in the back of the beyond. In The Fifth Head of Cerberus, Wolfe skillfully interweaves three bizarre tales to create a mesmerizing pattern: the harrowing account of the son of a mad genius who discovers his hideous heritage; a young man's mythic dreamquest for his darker half; the bizarre chronicle of a scientists' nightmarish imprisonment. Like an intricate, braided knot, the pattern at last unfolds to reveal astonishing truths about this strange and savage alien landscape. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Far from Earth two sister planets, Sainte Anne and Sainte Croix, circle each other. It is said that a race of shapeshifting aliens once lived here, only to become extinct when human colonists arrived. But one man believes they still exist, somewhere out in the wilderness. In THE FIFTH HEAD OF CERBERUS, Gene Wolfe brilliantly interweaves three tales: a scientist's son gradual discovery of the bizarre secret of his heritage; a young man's mythic dreamquest for his darker half; the mystifying chronicle of an anthropologist's seemingly-arbitrary imprisonment. Gradually, a mesmerising pattern emerges.

An anthology of thirty-one signature short works by the World Fantasy Award for Life Achievement-winning writer includes "Petting Zoo," "The Tree Is My Hat," and "The Island of Dr. Death and Other Stories."

A collection of the author's fantastical tales includes "The Green Rabbit from S'Rian," "The Marvelous Brass Chessplaying Automation," and "From the Desk of Gilmer C. Merton"

"Free Live Free," said the newspaper ad, and the out-of-work detective Jim Stubbs, the occultist Madame Serpentina, the salesman Ozzie Barnes, and the overweight prostitute Candy Garth are brought together to live for a time in Free's old house, a house scheduled for demolition to make way for a highway. Free drops mysterious hints of his exile from his homeland, and of the lost key to his return. And so when demolition occurs and Free disappears, the four make a pact to continue the search, which ultimately takes them far beyond their wildest dreams. This is character-driven science fiction at its best by a writer whom, at the time of its first publication, the Chicago Sun-Times called "science fiction's best genuine novelist." At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Living out his final days in a small midwestern town, an embittered elderly man, Alden Dennis Weer, explores his unique imagination, which has the power to obliterate time and reshape reality. Reprint.

As a young parish priest, Father Christopher has heard many confessions, but his own tale is more astounding than any revelation he has ever encountered in the confessional. . . . for Chris was once a pirate captain, hundreds of years before his birth. Fresh from the monastery, the former novice finds himself inexplicably transported back to the Golden Age of Piracy, where an unexpected new life awaits him. At first, he resists joining the notorious Brethren of the Coast, but he soon embraces the life of a buccaneer, even as he succumbs to the seductive charms of a beautiful and enigmatic senorita. As the captain of his own swift ship, which may or may not be cursed, he plunders the West Indies in search of Spanish gold. From Tortuga to Port Royal, from the stormy waters of the Caribbean to steamy tropical jungles, Captain Chris finds danger, passion, adventure, and treachery as he hoists the black flag and sets sail for the Spanish mainland. Where he will finally come to port only God knows. . . . Pirate Freedom is a captivating new masterpiece by the award-winning author of The Wizard Knight and Soldier of Sidon. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

There Are Doors is the story of a man who falls in love with a goddess from an alternate universe. She flees him, but he pursues her through doorways-interdimensional gateways-to the other place, determined to sacrifice his life, if necessary, for her love. For in her world, to be her mate. . . is to die. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.
