Finalist for the Chicago Review of Books Fiction Award, Dan Chaon's Best of 2017 pick in Publishers Weekly, one of Vol. 1 Brooklyn's Best Books of 2017, a BOMB Magazine "Looking Back on 2017: Literature" Pick, and one of Vulture's 10 Best Thriller Books of 2017. Jac Jemc's The Grip of It is a chilling literary horror novel about a young couple haunted by their newly purchased home Touring their prospective suburban home, Julie and James are stopped by a noise. Deep and vibrating, like throat singing. Ancient, husky, and rasping, but underwater. "That's just the house settling," the real estate agent assures them with a smile. He is wrong. The move prompted by James's penchant for gambling and his general inability to keep his impulses in

check is quick and seamless; both Julie and James are happy to start afresh. But this house, which sits between a lake and a forest, has its own plans for the unsuspecting couple. As Julie and James try to establish a sense of normalcy, the home and its surrounding terrain become the locus of increasingly strange happenings. The framework—claustrophobic, riddled with hidden rooms within rooms—becomes unrecognizable, decaying before their eyes. Stains are animated on the wall—contracting, expanding—and map themselves onto Julie's body in the form of painful, grisly bruises. Like the house that torments the troubled married couple living within its walls, *The Grip of It* oozes with palpable terror and skin-prickling dread. Its architect, Jac Jemc, meticulously traces Julie and James's unsettling journey through the depths of their new home as they fight to free themselves from its crushing grip.

Resisting an irresistible force wears you down and turns you out. I know. I've been doing it for years. I may not have a musical gift of my own, but I've got a nose for talent and an eye for the extraordinary. And Marlon James - *Grip* to his fans - is nothing short of extraordinary. Years ago, we strung together a few magical nights, but I keep those memories in a locked drawer and I've thrown away the key. All that's left is friendship and work. He's on the verge of unimaginable fame, all his dreams poised to come true. I manage his career, but I can't seem to manage my heart. It's wild, reckless, disobedient. And it remembers all the things I want to forget.

Gordy LaSure's passionate about film. He eats film, he drinks film, and sometimes he'll even watch a film. But most of all he loves talking to people about film: whether a comely student with low confidence and a father complex, a Studio 'development' exec who doesn't trust his own judgement, or the countless people Gordy LaSure's encountered in his capacity as the web moderator on an Excessive Sweating Discussion Forum. Gordy LaSure's always talking about films and how they'd be a shit ton better if only people would pull their asses out of their ears and listen to Gordy LaSure. The voyage of this book can be categorised as an attempt to understand How In Hell Film Works. Why are some films bad, and some films terrible? How come just a handful of films (*Titanic*, *Porky's*, *Dirty Harry*) are any good at all? Gordy'll tell you How and Why, and he'll give you a slug of Wherefore on the side. And he doesn't shoot from the hip; he shoots from the gut.

"A chilling literary horror novel about a young couple who purchase and live in a haunted house"--

It's time to take your business to the next level. Eileen Sharp and Vic Hightower were frustrated. After years of profitable, predictable growth, Swan Services was in a rut. Meetings were called and discussions held, but few decisions were made and even less got done. People were pointing fingers and assigning blame, but nothing happened to solve Swan's mounting problems. It felt as though they were working harder than ever but with less impact. The company Eileen and Vic had founded and built for 10 years was a different place. It just wasn't fun anymore. Their story is not unusual. The challenges they were facing are common, predictable, and solvable. *Get A Grip* tells the story of how Swan Services resolves its issues by implementing the Entrepreneurial Operating System®. With the help of EOS, Eileen, Vic, and their leadership team master a set of managerial tools that allow them to get traction on their business, grow the business, and deliver better results for clients. The story of Swan Services is a fable, but the Entrepreneurial Operating System® is very real and has helped thousands of businesses worldwide. A complete entrepreneurial toolkit, EOS has helped thousands of businesses get to where they want to be. In *Get A Grip*, learn how Swan Services leaders learned to develop and commit to a clear vision, establish focus, build discipline, and create a healthier and more cohesive team. With characters and situations created from collective business experiences and stories, *Get A Grip* is a fable that will ring true for entrepreneurial leaders the world over and guide them to get their companies on track.
