The Mother I Never Knew is a poignant dramatic book, reaching into not only human emotions but also subtly touching upon various social evils existing in our society. Sudha Murty writes in her trademark style- simple narration sans superfluous words. Both the tales are humble, straight forward stories.

What secrets lurk in a family's past—and how important are they in the here and now? Sudha Murty's new book comprises two novellas that explore two quests by two different men—both for mothers they never knew they had. Venkatesh, a bank manager, stumbles upon his lookalike one fine day. When he probes further, he discovers his father's hidden past, which includes an abandoned wife and child. Venkatesh is determined to make amends to his impoverished stepmother—but how can he repay his father's debt? Mukesh, a young man, is shocked to realize after his father's death that he was actually adopted. He sets out to find his biological mother, but the deeper he delves, the more confused he is about where his loyalties should lie: with the mother who gave birth to him, or with the mother who brought him up. The Mother I Never Knew is a poignant, dramatic book that reaches deep into the human heart to reveal what we really feel about those closest to us.

The biological daughter of writer Paula Fox and mother of rock singer Courtney Love describes growing up as an adoptee, her search for her birth mother, and her relationship with her own troubled daughter.

Poetry collection that details the hurt of a young man who never met his biological mother.

"Masterfully bounces and slams two hearts up and down a shrouded court of first love and revelations. A

hard-to-put-down backboard-breaker."—Rita Williams-Garcia, National Book Award Finalist and New York Times bestselling author From the moment Carli and Rex first locked eyes on a Texas high school basketball court, they both knew it was destiny. But can you truly love someone else if you don't love yourself? Acclaimed author Liara Tamani's luminous second novel explores love, family, heartbreak, betrayal, and the power of healing, in gorgeous prose that will appeal to readers of Nicola Yoon and Jacqueline Woodson. A glance was all it took. That kind of connection, the immediate and raw understanding of another person, just doesn't come along very often. And as rising stars on their Texas high schools' respective basketball teams, destined for bright futures in college and beyond, it seems like a match made in heaven. But Carli and Rex have secrets. As do their families. Liara Tamani, the author of the acclaimed *Calling My Name*, follows two Black teenagers as they discover how first love, heartbreak, betrayal, and family can shape you—for better or for worse. A novel full of pain, joy, healing, and hope for fans of Elizabeth Acevedo, Jacqueline Woodson, and Jenny Han. "A beautifully poignant love letter: to a first love, to basketball, and to that enigmatic bunch we think we know best, only to discover we don't know at all—family. Tamani's latest is a bright shining star."—David Arnold, New York Times bestselling author of *Mosquitoland* "Readers will be easily swept away by this tale exploring the hearts and souls of two emotionally vulnerable athletes." (Publishers Weekly, "An Anti-Racist Children's and YA Reading List")

"Will not fail to enhance months, even years, of gentle urban exploration...Any number of morning or weekend outings can be constructed from these rich pages... the selections and observations remain unfailingly interesting." --The Guardian (UK) *I Never Knew That*: Tucked away below Clive Steps at the end of King Charles Street can be found the small underground rooms where Winston Churchill and the War Cabinet met during the air raids of the Second World War. The first-ever Valentine Card was written from the Tower, where in 1415 the recently imprisoned Duke of Orleans composed a love poem to his wife. The measurement of one foot comes from the length of the foot of St. Algar's statue, carved on the base of one of the columns near the entrance of St. Paul's Cathedral. The design for the traditional wedding cake is drawn from the steeple of St. Bride's church in Fleet Street.

As far as Maren is concerned, life is perfect and it's just about to get better. On the cusp of her fortieth birthday and with her only child almost grown, it's time to start putting herself and her marriage first. But when the butterflies in her tummy turn out to be morning sickness, Maren's world is flipped upside down with an unplanned, high risk pregnancy—one she's ashamed to admit is unwanted. Overnight, everything changes and the ripple effect of the baby she's so unsure of is felt in every corner of her life. Her perfect life slowly disappears. Her teenage daughter looks for attention in the wrong places. Her best friend inexplicably blows up and stops speaking to her. And worse, her once doting husband pulls away when she needs him the most. Just when she's sure things couldn't possibly be worse, a shocking discovery rocks Maren's world. Faced with a devastating deception, a truth she can no longer ignore, and an impossible choice, can Maren stop her life from completely unraveling? Or is *All We Never Knew* too much for love to overcome?

Even as a reporter, Sheila Hamilton missed the signs as her husband Michael's mental illness unfolded before her. By the time she had pieced together the puzzle, it was too late. Her once brilliant, intense, and hilarious partner was dead within six weeks of a formal diagnosis of bipolar disorder, leaving his nine-year-old daughter and wife without so much as a note to explain his actions, a plan to help them recover from their profound grief, or a solution for the hundreds of thousands of dollars in debt that they would inherit from him. *All the Things We Never Knew* takes readers from Michael and Sheila's romance through the last three months of their life together and into the year after his death. It details their unsettling descent from ordinary life into the world of mental illness, and examines the fragile line between reality and madness. Now, a decade after Michael's death, Sheila and her daughter, Sophie, have learned the power of choosing life over retreat; let themselves love and trust again; and understand the importance of forgiveness. Their story will resonate with all those who have loved someone who suffers from bipolar disease and mental illness.

A seventy-year-old West Indian woman looks back over the course of her life and examines the relationships that have given meaning to her existence

"Lydia is dead. But they don't know this yet. So begins the story of this exquisite debut novel, about a Chinese American family living in 1970s small-town Ohio. Lydia is the favorite child of Marilyn and James Lee; their middle daughter, a girl who inherited her mother's bright blue eyes and her father's jet-black hair. Her parents are determined that Lydia will fulfill the dreams they were unable to pursue—in Marilyn's case that her daughter become a doctor rather than a homemaker, in James's case that Lydia be popular at school, a girl with a busy social life and the center of every party. When Lydia's body is

found in the local lake, the delicate balancing act that has been keeping the Lee family together tumbles into chaos, forcing them to confront the long-kept secrets that have been slowly pulling them apart. James, consumed by guilt, sets out on a reckless path that may destroy his marriage. Marilyn, devastated and vengeful, is determined to find a responsible party, no matter what the cost. Lydia's older brother, Nathan, is certain that the neighborhood bad boy Jack is somehow involved. But it's the youngest of the family-Hannah-who observes far more than anyone realizes and who may be the only one who knows the truth about what happened. A profoundly moving story of family, history, and the meaning of home, *Everything I Never Told You* is both a gripping page-turner and a sensitive family portrait, exploring the divisions between cultures and the rifts within a family, and uncovering the ways in which mothers and daughters, fathers and sons, and husbands and wives struggle, all their lives, to understand one another"--
