From the inspirational leader and author of the international bestsellers Your Sacred Self and Your Erroneous Zones comes this mind-awakening guidebook for making your desires reality. Wayne Dyer is an extraordinary sensor of what people want and he moves with the ever-changing times. He focused on the heart of the spiritual with Real Magic and embraced individual sacredness with Your Sacred Self. In this enlightening work, he takes these concepts one step further to focus on meditation and manifesting what you want. Based on ancient principles and spiritual practices, Manifest Your Destiny teaches the process of meditation as a way to streamline your thoughts, desires, goals, and, ultimately, your life. Are the decisions and actions in your life controlled by your ego? Are you weighted down with unresolved troubles? Do you feel out of touch with your environment? Do you complain, find fault, or take for granted more often than you appreciate your life? You can overcome these barriers with Dyer's technique, as outlined in his Nine Spiritual Principles that will teach you to develop spiritual awareness, reconnect with the world, trust yourself and accept your worth, and let go of demands. Filled with warmth and insight, this invaluable book will help you achieve your goals and take you to a level higher than you've ever dreamed.

How To Attract What You Want In Life: Money, Relationships, Fulfilling Career... There are several "secrets" to successful manifesting that almost never get mentioned in books about the Law of Attraction. This includes: How to overcome emotional blocks (not just mental) - a huge stumbling block for many who try to apply the Law of Attraction. The importance of raising one's energy level - this determines how much you will attract of what you want. How to take aligned action - an often missing, but absolutely critical step. The main reason why I wrote this book is to give everyone these critical pieces of information that are often missing, but absolutely necessary for successful manifestation with the Law of Attraction. And make no mistake about it: The Law of Attraction absolutely works, especially with the missing pieces you will find here. For those who are serious about using the Law of Attraction, you will learn: How To Listen To Your Heart And Follow Your Heart's Desires (which really come from your soul or Higher Self) The 3 Simple Steps of Manifesting With The Law of Attraction. The 5 Most Common Mistakes in Manifesting. How To Access The Energetic 'Essence' of Abundance in Meditation. How To Use Gratitude To Boost Your Manifesting. In fact, applying the manifesting formula from this book also dramatically improves your "luck". You will be amazed at the "lucky" coincidences that life will bring you and in what unexpected ways your desire will be fulfilled.

When it comes to working with the Law of Attraction, or manifesting your desires, there are many, so called "secrets..". When movies are produced or books are published on either of these two subjects some of the most important information is, well let's just say... "missing." You're only provided with half of the information that you need. Is it on purpose? Maybe, sometimes... Is it on accident? Probably, most of the time... Is it because they don't know the entire truth themselves? Most likely... You will never, ever, be able to fully understand how to manifest things into your life without understanding the how the ENTIRE manifestation process works. And I want you to succeed! In this book you will learn: \* How to "understand" Universal Laws. \* Why Universal Laws are important to manifesting your desires. \* What it "feels" like when working with Universal Laws and manifesting. \* Manifesting Exercises. \* Manifesting Meditation. \* 6 Common blocks to manifesting your desires. I have taught thousands of people how to manifest their desires, and I have a huge success rate. And if you follow these things, I have no doubt in my mind that you too, will be successful! However, this book is not for everyone! Before you read this book: \* You must have an open mind. \* You must be willing to challenge your beliefs, and how you "think" the world currently works around you. \* You must also be okay with being different and "thinking" different than those who you choose to surround yourself with. And not worry that they will "make fun of your new perspective" or "think you're crazy." If you're willing to learn what's in this book, then take this knowledge and integrate it into your everyday life, you will embark on the most rewarding journey of your life...

The tenth-anniversary edition of the book that changed lives in profound ways, now with a new foreword and afterword. In 2006, a groundbreaking feature-length film revealed the great mystery of the universe—The Secret—and, later that year, Rhonda Byrne followed with a book that became a worldwide bestseller. Fragments of a Great Secret have been found in the oral traditions, in literature, in religions and philosophies throughout the centuries. For the first time, all the pieces of The Secret come together in an incredible revelation that will be life-transforming for all who experience it. In this book, you'll learn how to use The Secret in every aspect of your life—money, health, relationships, happiness, and in every interaction you have in the world. You'll begin to understand the hidden, untapped power that's within you, and this revelation can bring joy to every aspect of your life. The Secret contains wisdom from modern-day teachers—men and women who have used it to achieve health, wealth, and happiness. By applying the knowledge of The Secret, they bring to light compelling stories of eradicating disease, acquiring massive wealth, overcoming obstacles, and achieving what many would regard as impossible.

This is the quintessential go to book if you want to learn to manifest and choose the life you really want. A special 5 step process that you've never heard before. It truly is full of Secrets THE SECRET never told you. After the popular work was released many people came to understand the magic of the law of attraction, but still had no idea how to use it. This book delivers all that you need to understand the basics and expert levels of manifesting. A must have for the conscious soul.

MANIFEST YOUR DESIRES WITH UNIVERSAL CONSCIOUSNESS This peerless Self-Help Book describes the technology of manifesting your Desires in your physical Reality using Traditional Manifestation Methods of Visualization, Affirmation & Feeling supplemented by Consciousness Manifestation Methods of Direct Consciousness Discrimination, Expanded Consciousness Meditation & Divine Love Yoga. \*\*\*\*\*MANIFESTATION BY CONSCIOUSNESS The primary objective of this book is to analyze the basic mechanics of Manifestation of our Desires in our physical Reality and outline the technology of Traditional and Consciousness Methods for the same. This book comes as a summary of my theoretical and practical research in this field for more than a decade. Unless supplemented by suitable Consciousness Methods, body-mind-heart based Traditional Methods for Manifestation like Visualization, Affirmation and Feeling suffer from some serious shortcomings. Many times they don't work. Sometimes we get results with unacceptable deviation from what we desired. Sometimes commencement of Manifestation is inordinately delayed that we give up midway. That is, exclusive implementation of Traditional Methods for Manifestation is ineffective, inefficient and slow. That is because quantum of positive energy built up by Traditional Methods for Manifestation in a PARTICULAR aspect of our life is usually far exceeded by the quantum of Negative Energy accumulated from our experiences in VARIOUS ASPECTS of our life. Practice of Consciousness Methods helps us to overcome this large quantum of Negative Energy overflowing in our heart, mind and body. Therefore, if we supplement the Traditional Methods for Manifestation like Visualization, Affirmation and Feeling with suitable Consciousness Methods, we can improve the success rate, efficiency and speed of commencement of Manifestation of our Desires in our physical Reality. This book explains the theory and practice of three important Consciousness Methods, namely, Direct Consciousness Discrimination, Expanded Consciousness Meditation and Divine Love Yoga, to improve the success rate, efficiency and speed of commencement of Manifestation. MANIFEST YOUR DESIRES WITH UNIVERSAL CONSCIOUSNESS.

The secrets are all within this book. If you want to make the law of attraction work for you, all you have to do is to read this book and start taking action.
