The Shaman's Path takes you on a guided journey to discover your life's purpose. Exercises and meditations take you on an experiential path on which you identify your issues, explore your ancestral ties and relationships, and examine your everyday roles. All of these are released through personal work and ceremony. At the end of the journey, you discover your destiny and move forward with a different perspective about yourself and the world around you. Rooted in the Shamanic practices of the medicine men and women of the High Andes in Peru, the author has taken what has been an oral tradition and concisely explained its history and its practical applications to modern life in North America and elsewhere. By completing the exercises in this book, you move out of time and space, and learn to navigate the pathways to the lower and upper worlds through Shamanic journeying, meet and communicate with spirit guides and power animals, and come to a place where the mind and spirit can find healing. Working closely with the Earth, the author describes sacred ceremonies to create a deep connection with your place of being in the world. Options for working alone or in a group are provided. Within you is a greater, wiser self that is not bound by your fears, worries, or perceived limitations. Dr. José Luis Stevens calls this the Inner Shaman—the part of you that connects directly to the true source of the universe. "The shamans of every tradition know that the physical world we can see and touch is a mere shadow of the true spirit world," writes Dr. Stevens. With *Awaken the Inner Shaman*, he presents a direct and practical guide for opening our eyes to the greater wisdom and knowing within—and stepping into the power and responsibility we possess to shape and serve our world. In this rousing and provocative book, he invites readers to discover: What is the Inner Shaman? How an understanding of our deeper spiritual potential shows up in every mystical and scientific tradition. Seeing through the heart—why the heart offers us the most immediate path for accessing the Inner Shaman Illuminating the Inner Shaman through spirituality, quantum physics, medical science, and experiential knowing The Inner Shaman in action—how to stop living from the egoic mind and put your true essence in charge Eight tools to strengthen your connection to the Inner Shaman, and much more Humanity has become enthralled by the Siren's song of technological progress, which has lured us away from the spiritual source that truly sustains us. In *Awaken the Inner Shaman*, Dr. José Stevens challenges us to reclaim our lost power to heal, see truly, and fulfill our purpose in life. As Dr. Stevens writes: "The Inner Shaman, suppressed and ignored for centuries, can be discovered in the most obvious place possible—within your own heart."

" Easy-to-understand model of spiritual discernment for individuals and groups " Introduces an array of spiritual practices " Connects powerful spiritual practices with psychological understanding and social insight " Study guide included Dan Prechtel contends that the Holy One wants to—and often does—speak to us in language of powerful symbols from the depths of our individual and collective being. Symbols that emerge from our particular situations and are deeply connected with our spiritual tradition provide light on the path of our spiritual journey to illuminate our situation and give insight into God's desire for us personally and in our common life. The book helps individual readers, small groups, spiritual directors, and counselors pay closer attention to those symbols that emerge from the deep source of wisdom and creativity within and around us to serve as guides. Offering examples from his personal life as well as from professional experience as a spiritual guide, Prechtel explores a practical model of spiritual discernment and discusses how tools such as contemplative spiritual practices, exploring the wisdom of dream symbols, and participation in sacramental rituals all provide powerful symbols to guide the discernment process. He looks at varying contexts for discernment, from personal situations to global issues. There are questions for personal and group reflection throughout the book, along with additional examples of guided imagery meditations and further discussion on dream work at the end.

According to José Stevens and Lena Stevens, business leaders and shamans share many important traits: the abilities to solve problems, to achieve goals, to see the big picture, and to forecast events. What their previous book, *Secrets of Shamanism*, did for the growth of the individual, *The Power Path* does for the growth of business managers and entrepreneurs. On the basis of years of study with shamans, the authors share a new way of thinking about the nature of power. By applying shamanic traditions of power to the workplace, readers learn how to improve work relationships, to understand employees' strengths and limitations, and to inspire effective teamwork " techniques aimed ultimately toward increasing business success.

Anyone with a rudimentary knowledge of either Reiki or shamanism will learn how to heal people, places, and things, whether at hand or from a distance, in this useful guide. Presented by an expert in both traditions, the techniques of Reiki and the principles of shamanism are explained in simple, concise terms, then brought together using real-life examples to show how Reiki can be practiced within the shamanic journey. Supported by mastery exercises, references to other books, and internet resources, both novices and experienced practitioners will expand their knowledge and ability to help subjects clear old energies and accelerate their "soul purpose."

Shamanism is an ancient spirituality rooted in the belief that all matter has consciousness and that accessing the spirit in all things is part of what keeps the world and people healthy and in balance. Spirit beings surround us and are the source of a spirit walker's ability to profoundly influence life events and thrive in difficult circumstances. In *Spirit Walking*, shamanic practitioner Evelyn Rysdyk shows how we can all connect with the spirit world to find balance and healing. Using shamanic techniques that have been proven over thousands of years of human existence, Rysdyk offers a step-by-step guide to understanding and integrating shamanic practices into one's life through: Power Animals Prayers and Rituals Discovering the Creative Energy of Emotion Imagination and Manifestation Learning to Shape-shift Divination Traditional Shamanic Healing Rysdyk shares powerful stories of shamans from a variety of cultures such as Nepal, Tuva, the Ulchi from Siberia, and from Peru. She brings a fresh perspective to the work by showing how the latest findings in quantum physics are verifying that we are all connected in an intricate web of energy and spirit.

Enter the magical realm of the shaman and develop your hidden shamanic skills. The Celtic Shaman's Pack offers direct access to the inner cosmos of the Celts, enabling you to make contact with the powerful archetypes to be found there. This pack constitutes your "shaman's pouch" - your very own collection of items imbued with magical or mystical significance, offering a bridge between the world of the everyday and the world of unseen reality that is a part of every shaman's training. The cards represent key aspects of the Celtic universe, providing you with a set of shamanic journey coordinates. By working with the images on a daily basis for divination and discovery, you will learn to journey on the visionary path and gain a heightened understanding of yourself as well as insight into your true-life direction.
