Gilman's turn-of-the century feminist novel offers a portrait of a marriage and describes the experiences of a woman suffering a nervous breakdown.

This short story is regarded as an important early work of American feminist literature, due to its illustration of the attitudes towards mental and physical health of women in the 19th century. Narrated in the first person, the story is a collection of journal entries written by a woman whose physician husband (John) has rented an old mansion for the summer. Forgoing other rooms in the house, the couple moves into the upstairs nursery. As a form of treatment, the unnamed woman is forbidden from working, and is encouraged to eat well and get plenty of air, so she can recuperate from what he calls a "temporary nervous depression - a slight hysterical tendency", a diagnosis common to women during that period.

The Yellow Wallpaper is considered a groundbreaking feminist masterpiece and one of the most exquisite horror stories in American literature. Charlotte Perkins Gilman was America's leading feminist intellectual of the early twentieth century. In addition to her masterpiece 'The Yellow Wallpaper', this new edition also includes a selection of her best short stories. This work is considered an important early work in feminist literature and one which explored issues about women's health, both physical and mental.

Compiles seven stories that examine the relations between the sexes from a feminist perspective.

Charlotte Perkins Gilman was America's leading feminist intellectual of the early twentieth century. *The Yellow Wall-Paper and Other Stories* makes available the fullest selection of her short fiction ever printed. It features her pioneering feminist masterpiece, her neglected stories contemporary with *The Yellow Wall-Paper*, and her later explorations of 'the woman of fifty'. The introduction to this edition places Gilman in the cultural and historical context of the American divided self, her Beecher heritage, and her contribution to the female Gothic.

THE CHARLOTTE PERKINS GILMAN READER is an anthology of fiction by one of America's most important feminist writers. Probably best known as the author of "The Yellow Wallpaper," in which a woman is driven mad by chauvinist psychiatry, Gilman wrote numerous other short stories and novels reflecting her radical socialist and feminist view of turn-of-the-century America. Collected here by noted Gilman scholar Ann J. Lane are eighteen stories and fragments, including a selection from *Herland*, Gilman's feminist Utopia. The resulting anthology provides a provocative blueprint to Gilman's intellectual and creative production.

Selections from her short stories, novels, and utopian novels illustrate Gilman's ability to forcefully present a feminist perspective on the ironies and inconsistencies of commonly held social assumptions

Charlotte Perkins Gilman's 1892 short story, *The Yellow Wallpaper* is a valuable piece of American feminist literature that reveals attitudes toward the psychological health of women in the nineteenth century. Diagnosed with "temporary nervous depression - a slight hysterical tendency" by her physician husband, a woman is confined to an upstairs bedroom. Descending into psychosis at the complete lack of stimulation, she starts obsessing over the room's yellow wallpaper: "It is the strangest yellow, that wall-paper! It makes me think of all the yellow things I ever saw - not beautiful ones like buttercups, but old foul, bad yellow things. But there is something else about that paper - the smell! ... The only thing I can think of that it is like is the color of the paper! A yellow smell."
