One brave feline, exiled from her clan, must fight to survive in this PEN Award–winning author ’ s epic fantasy adventure about a tribe of prehistoric cats. Twenty-five million years in the past, a clan of sentient, prehistoric big cats called “ the Named ” have their own language, traditions, and law. Led by Meoran, the Named herd horses and deer for food. They keep order and peace, fending off predatory raiders—the UnNamed—from all sides. But, the battle has taken its toll, and the Named are skirting the edge of survival. Much to the displeasure of Meoran, a young female named Ratha discovers a powerful defense against the UnNamed. She calls it “ the Red Tongue, ” and it is a creature of incredible power. Red Tongue is fire, a force of both life and destruction that must be at once nurtured and tamed. Sensing that Ratha ’ s mastery of fire threatens his power, Meoran banishes her from the clan. As she travels out amongst the savage UnNamed, Ratha learns about both them and herself. But, her tribe needs her. Can she return? Will the Named survive constant attacks without the Red Tongue? Will the power of the Red Tongue change the clan forever? Acclaimed author Clare Bell crafts a serious coming-of-age story filled with adventure, triumph, and heartbreak. Perfect for readers of Jean M. Auel ’ s The Clan of the Cave Bear, Ratha ’ s Creature will have readers hooked and clamoring for more stories of these big, noble cats.

"Terrifying... Eloquent... A heart-rending drama of human yearning." --New York Times
In April 1992 a young man from a well-to-do family hitchhiked to Alaska and walked alone into the wilderness north of Mt. McKinley. He had given \$25,000 in savings to charity, abandoned his car and most of his possessions, burned all the cash in his wallet, and invented a new life for himself. Four months later, his decomposed body was found by a moose hunter. How Christopher Johnson McCandless came to die is the unforgettable story of Into the Wild. Immediately after graduating from college in 1991, McCandless had roamed through the West and Southwest on a vision quest like those made by his heroes Jack London and John Muir. In the Mojave Desert he abandoned his car, stripped it of its license plates, and burned all of his cash. He would give himself a new name, Alexander Supertramp, and, unencumbered by money and belongings, he would be free to wallow in the raw, unfiltered experiences that nature presented. Craving a blank spot on the map, McCandless simply threw the maps away. Leaving behind his desperate parents and sister, he vanished into the wild. Jon Krakauer constructs a clarifying prism through which he reassembles the disquieting facts of McCandless's short life. Admitting an interst that borders on obsession, he searches for the clues to the dries and desires that propelled McCandless. Digging deeply, he takes an inherently compelling mystery and unravels the larger riddles it holds: the profound pull of the American wilderness on our imagination; the allure of high-risk activities to young men of a certain cast of mind; the complex, charged bond between fathers and sons. When McCandless's innocent mistakes turn out to be irreversible and fatal, he becomes the stuff of tabloid headlines and is dismissed for his naiveté, pretensions, and hubris. He is said to have had a death wish but wanting to die is a very different thing from being compelled to look over the edge. Krakauer brings McCandless's uncompromising pilgrimage out of the shadows, and the peril, adversity, and renunciation sought by this enigmatic young man are illuminated with a rare understanding—and not an ounce of sentimentality. Mesmerizing, heartbreaking, Into the Wild is a tour de force. The power and luminosity of Jon Krakauer's stoytelling blaze through every page.
