Underwood himself is kidnapped. Hours later, the president and top officials watch in horror from the Oval Office as the general is viciously beheaded by an ISIS leader—broadcast live on the Al Jazeera television network. The world is stunned by the bloody scene, but even more so that this supposedly loose-knit terrorist organization was able to orchestrate a lethal attack on the world ' s most powerful military. American forces goes into high gear on land and sea to retaliate. But when the ISIS leader's son is killed in an American bombing raid, his rage knows no bounds, and he determines to wreak vengeance on the American homeland itself. Now it ' s up to Op-Center to assemble its strike force, domestic and abroad, to stay one step ahead of a ruthless enemy—while the fate of the world hangs in the balance...

Since his first appearance in Action Comics Number One, published in late spring of 1938, Superman has represented the essence of American heroism. “ Faster than a speeding bullet, more powerful than a locomotive, and able to leap tall buildings in a single bound, ” the Man of Steel has thrilled audiences across the globe, yet as life-long “ Superman Guy ” Tom De Haven argues in this highly entertaining book, his story is uniquely American. Created by Jerry Siegel and Joe Shuster in the midst of the Great Depression, Superman is both a transcendent figure and, when posing as his alter-ego, reporter Clark Kent, a humble working-class citizen. An orphan and an immigrant, he shares a personal history with the many Americans who came to this country in search of a better life, and his amazing feats represent the wildest realization of the American dream. As De Haven reveals through behind-the-scenes vignettes, personal anecdotes, and lively interpretations of more than 70 years of comic books, radio programs, TV shows, and Hollywood films, Superman ' s legacy seems, like the Man of Steel himself, to be utterly invincible.

There ' s hardly anyone in the world more down-to-earth than Jesus. That sounds far-fetched because, well, Jesus is God. But read the Gospels and you find Jesus telling stories that ring true from beginning to end, stories you can immediately identify with, stories that make you go “ hmmm. ” In Down to Earth we learn that these stories are different from the stories we tell each other—these are stories intended to change your life. They ' re soul stories—stories that get inside you and linger there, stories you start to find yourself living into. And when you do, you and the world around you are transformed for good.

Now Tom Brown, Jr., goes beyond basic survival skills by helping us establish a more enduring relationship to the natural world. This wide-ranging handbook provides us with the absolute necessities for long-term living, the ancient secrets of adaptation (the single most important environmental skill), and the keys to a deeper awareness and harmony with the earth. Book jacket.

The Tarot is steeped in mystery and magic. It's also an excellent tool for making decisions, forecasting potential outcomes, and even locating lost objects. In Tarot on Earth, Tom Benjamin shakes the dust from these ancient cards and reinvigorates the learning process with a series of activities that connect cards to the issues we face in modern life. With lessons on numerology, mastering the court cards, and creating narrative out of spreads, you'll learn to conduct more precise, practical readings, on everything from cheating lovers to lost objects. This immersive class, built for beginners and pros alike, will ground your readings in real life, and help you answer the kinds of questions most commonly asked of card-slingers at all levels. Sprinkled with insight from the author's nearly twenty years working with the cards, Tarot on Earth offers a fresh approach to a wise and timeless tool.
