Profiles the influential hip-hop group and their main producer through a detailed account of their lives and a comprehensive analysis of the songs and albums they have released.

From the founder of the Wu-Tang Clan—celebrating their 25th anniversary this year—an inspirational book for the hip hop fan. The RZA, founder of the Wu-Tang Clan, imparts the lessons he's learned on his journey from the Staten Island projects to international superstardom. A devout student of knowledge in every form in which he's found it, he distills here the wisdom he's acquired into seven "pillars," each based on a formative event in his life—from the moment he first heard the call of hip-hop to the death of his cousin and Clan- mate, Russell Jones, aka ODB. Delivered in RZA's unmistakable style, at once surprising, profound, and provocative, The Tao of Wu is a spiritual memoir the world has never seen before, and will never see again. A nonfiction Siddhartha for the hip-hop generation from the author of The Wu-Tang Manual, it will enlighten, entertain, and inspire.

Offers an introduction to the Wu-Tang Clan, revealing the web of personalities and alter egos, warrior codes, numerological systems, and Eastern spiritual and philosophical concepts that define their world.

The Wu-Tang Manual is The RZA ' s first written introduction to the philosophy and history of Hip-Hop ' s original Dynasty, the Wu-Tang Clan. Written in a style that is at once personal and philosophical, The Wu-Tang Manual unravels the intricate web of personalities (and alter egos), warrior codes, numerological systems, and Eastern spiritual ethics that define the Wu-Tang dynasty. Packed with information that reflects the breadth and depth of the RZA ' s — and rest of the Clan ' s — intellectual interests and passions, The Wu-Tang Manual is divided into four books of nine chambers each, for a total of 36 chambers. All together, the book provides the breakdown of essential Wu-Tang components, from basic information about each of the nine core members of Wu-Tang Clan to deeper explorations of the key themes of the Wu-Tang universe, a dictionary-like Wu-Slang lexicon, and an entire section of Wu-Tang lyrics with densely annotated explanations of what they mean. For the hardcore Wu-Tang disciple and the recent initiate alike, The Wu-Tang Manual is the definitive guide to the essence of Wu, one of the most innovative hip-hop groups of all time. The RZA's most recent book, The Tao of Wu, is also available from Riverhead Books.

Selected as a Best Book of the Year by Esquire "Couldn't put it down." – Charlamagne Tha God "Mesmerizing." – Raekwon da Chef "Insightful, moving, necessary." – Shea Serrano "Cathartic." – The New Yorker "A classic." – The Washington Post The explosive, never-before-told story behind the historicrise of the Wu-Tang Clan, as told by one of its founding members, Lamont "U-God" Hawkins. " It ' s time to write down not only my legacy, but the story of nine dirt-bomb street thugs who took our everyday life—scrappin ' and hustlin ' and tryin ' to survive in the urban jungle of New York City—and turned that into something bigger than we could possibly imagine, something that took us out of the projects for good, which was the only thing we all wanted in the first place. " —Lamont "U-God" Hawkins The Wu-Tang Clan are considered hip-hop royalty. Remarkably, none of the founding members have told their story—until now. Here, for the first time, the quiet one speaks. Lamont " U-God " Hawkins was born in Brownsville, New York, in 1970. Raised by a single mother and forced to reckon with the hostile conditions of project life, U-God learned from an early age how to survive. And surviving in New York City in the 1970s and 1980s was no easy task—especially as a young black boy living in some of the city ' s most ignored and destitute districts. But, along the way, he met and befriended those who would eventually form the Clan ' s core: RZA, GZA, Method Man, Raekwon, Ol ' Dirty Bastard, Inspectah Deck, Ghostface Killah, and Masta Killa. Brought up by the streets, and bonding over their love of hip-hop, they sought to pursue the impossible: music as their ticket out of the ghetto. U-God ' s unforgettable first-person account of his journey,from the streets of Brooklyn to some of the biggest stages around the world, is not only thoroughly affecting, unfiltered, and explosive but also captures, inivid detail, the making of one of the greatest acts in American music history.

The first Asian woman in hip-hop, Sophia Chang shares the inspiring story of her career in the music business, working with such acts as The Wu-Tang Clan and A Tribe Called Quest, her path to becoming an entrepreneur, and her candid accounts of marriage, motherhood, aging, desire, marginalization, and martial arts. Fearless and unpredictable, Sophia Chang prevailed in a male-dominated music industry to manage the biggest names in hip-hop and R&B. The daughter of Korean immigrants in predominantly white suburban Vancouver, Chang left for New York City, and soon became a powerful voice in music boardrooms at such record companies as Atlantic, Jive, and Universal Music Group. As an A&R rep, Chang met a Staten Island rapper named Prince Rakeem, now known as the RZA, founder of the Wu-Tang Clan, the most revered and influential rap group in hip-hop history. That union would send her on a transformational odyssey, leading her to a Shaolin monk who would become her partner, an enduring kung fu practice, two children, and a reckoning with what type woman she ultimately wanted to be. For decades, Chang helped remarkably talented men tell their stories. Now, with The Baddest Bitch In The Room, she is ready to tell her own story of marriage, motherhood, aging, desire, marginalization, and martial arts. This is an inspirational debut memoir by a woman of color who has had the audacity to be bold in the pursuit of her passions, despite what anyone—family, society, the dominant culture—have prescribed.

Please note that the content of this book primarily consists of articles available from Wikipedia or other free sources online. Pages: 25. Chapters: RZA, Ol' Dirty Bastard, U-God, Raekwon, Method Man, Inspectah Deck, Ghostface Killah, GZA, Masta Killa, Cappadonna. Excerpt: Robert Fitzgerald Diggs, better known by his stage name RZA or The RZA (; born July 5, 1969), is an American Grammy-winning music producer, multi-instrumentalist, author, rapper, and occasional actor, director, and screenwriter. A prominent figure in hip hop music, he is the de facto leader of the Wu-Tang Clan. He has produced almost all of Wu-Tang Clan's albums as well as many Wu-Tang solo and affiliate projects. He is widely considered one of the most influential and landmark hip-hop producers of all time. He subsequently gained attention for his work scoring and acting in films. He has also released solo albums under the alter-ego Bobby Digital. In addition to the Wu-Tang Clan and his solo releases, RZA was also a founding member of the horrorcore rap group Gravediggaz where he used the name The Rzarector. Furthermore, he has acted in several movies, including Coffee and Cigarettes, American Gangster, Gospel Hill, Life Is Hot in Cracktown, Ghost Dog, Funny People, Derailed, Due Date and Repo Men. In 2008, RZA was ranked #4 on About.com's list of the Top 50 Hip-Hop Producers, while The Source placed him on its list of the 20 greatest producers in the magazine's twenty-year history. He also made the "Elite 8" in the search for The Greatest Hip-Hop Producer of All Time by Vibe. Born in Brownsville, Brooklyn, New York, RZA spent time in Pittsburgh, Pennsylvania as a child, where his father had a convenience store in the Hill District. From the ages of three to seven, RZA lived in North Carolina with his uncle, who always encouraged him to read and study. He was named after Robert Kennedy and John Fitzgerald Kennedy. RZA began his hip hop career in the late 1980s and early 1990s, as a member...

The untold story of the world's most controversial album---a surreal tale of secret recordings, the Wu-Tang Clan, baffled customs agents, the world's most hallowed art institutions, and a villain of comic book proportions: Martin Shkreli. In 2007, the innovative young Wu-Tang producer, Cilvaringz, took an incendiary idea to his mentor the RZA. They felt that the impact of digitization threatened the sustainability of the record industry and independent artists, while shifting the perception of music from treasured works of art to disposable consumer products. Together they conceived a statement so radical that it would unleash a torrent of global debate---a sole copy of an album in physical form, encased in gleaming silver and sold through an auction house for millions as a work of contemporary art. The execution of this plan raised a number of complex questions: Would selling an album for millions be the ultimate betrayal of music? How would fans react to an album that's sold on the condition that it could not be commercialized? And could anyone ever justify the selling of the album to the infamous Martin Shkreli? As headlines flashed across the globe, the mystery only deepened. Opinions were sharply divided over whether this was high art or hucksterism---quixotic idealism or a cynical cash grab. Was it a noble act of protest, an act of cultural vandalism, an obscene symbol of greed, a subversive masterpiece, a profound mirror for our time, or a joker on capitalism's card table? As senior adviser to the project, Cyrus Bozorgmehr is uniquely placed to unlock the secrets behind the album and tell the full, unadulterated story. With explosive revelations about backroom plans made public for the first time, Once Upon a Time in Shaolin charts the album's journey from inception to disruption in vivid style. An extraordinary adventure that veers between outlandish caper and urgent cultural analysis. Once Upon a Time in Shaolin twists and turns through the mayhem and the mischief, while asking profound questions about our relationship with art, music, technology, and ultimately ourselves.

Please note that the content of this book primarily consists of articles available from Wikipedia or other free sources online. Pages: 30. Chapters: List of Wu-Tang Clan affiliates, Wu-Tang Clan discography, List of Wu-Tang Clan affiliate albums, RZA discography, Method Man discography, Wu-Tang Clan videography, Wu-Tang: Shaolin Style, Oliver "Power" Grant, Method Man filmography, The Tao of Wu, The Wu-Tang Manual. Excerpt: The Wu-Tang Clan (pronounced) is a hip-hop group from New York City that consists of RZA, GZA, Method Man, Raekwon, Ghostface Killah, Inspectah Deck, U-God, Masta Killa, and the late Ol' Dirty Bastard. They are frequently joined by fellow childhood friend Cappadonna, a quasi member of the group. They were formed in (and are associated with) the New York City borough of Staten Island (referred to by members as "Shaolin"), though some of their members are from Brooklyn and one is from The Bronx. They have introduced and launched the careers of affiliated artists and groups, often collectively known as the Wu-Tang Killa Bees. In 2007, MTV ranked Wu-Tang the fifth greatest hip hop group of all time, and in 2008, About.com ranked them the number one greatest hip hop group of all time, and stated "No weapon in hip-hop history can rival the chaotic cohesion of the Wu-Tang Clan. The Clan had so many characters, each with his own eccentricities. They were fearless in their approach. There's a good reason no group has been able to successfully recreate their sound. The crew spawned countless loosely associated acts. Their classic albums spawned classic albums." Mount WudangThe founders of the Wu-Tang Clan were cousins Robert Diggs, Gary Grice, Russell Jones (RZA, GZA, and Ol' Dirty Bastard respectively) who had formed the group Force of the Imperial Master (later known as All in Together Now after the release of a popular single by that name). The group attracted the attention of figures in the hip hop music industry, including Biz Markie, but did...

Selected as a Best Book of the Year by Esquire "Couldn't put it down." – Charlamagne Tha God "Mesmerizing." –Raekwon da Chef "Insightful, moving, necessary." – Shea Serrano "Cathartic." – The New Yorker "A classic." – The Washington Post The explosive, never-before-told story behind the historic rise of the Wu-Tang Clan, as told by one of its founding members, Lamont "U-God" Hawkins.
