Thirty-four previously published magazine articles from the Backroad Bob's Motorcycle Adventures - Wastegates CD. Produced over eight years as the fourteen-year president of the Turbo Motorcycle International Owners Association (TMIOA), these SWastegate editorials appeared in the association's quarterly newsletter "Turbo News" from Spring 1994 (#18) to the final edition in Fall 2003 (#51).

The Caf é Racer is one of the most enduring styles of motorcycle ever created, encapsulating the rebellious spirit of the 50s. Featuring a huge, global Caf é Racer directory alongside a unique mix of personal memories, previously unseen photos, iconic machines and chassis builders in profile, this book is a must for any 'ton-up' rider.

The Streetfighter movement is the most exciting leap forwards in modern motorcycle design and performance in the last 15 years. This book provides colour photographs of modified bikes as well as detailed specification and performance figures.

A definitive account of the popular Ducati Desmodue - the reliable, affordable, high-performance motorcycle range that boasts one of the most successful Italian motorcycles of all time, the Ducati Monster, and is still in development today. Including full production histories, comprehensive specification details and owners' experiences, this new book covers the history of Ducati and the rise of the brand in the 1970s and Grand Prix racing with Fabio Taglioni's desmodromic valve engine design. The world-beating TT2 and TT1 racers are covered along with the best-selling Ducati Monster, the Desmodue 900SS and the SportClassic range. With the Scrambler, and new Ducati factories in Thailand and Brazil, the Desmodue story is brought right up to date - a story based a wonderful corner of Italy, some very special motorcycles and the astonishing people who made it all happen. Fully illustrated with 211 colour photographs.
